1.0 Introduction

“Building a United Community” Fund has been designed to support, promote and develop Good Relations projects throughout the Council area.

You should have a discussion about your project idea with one of the officers within the Good Relations Unit before submitting your application:

Good Relations Team good.relations@causewaycoastandglens.gov.uk

1.1. Purpose of grant programme

“Good Relations” is about developing positive relationships between people of differing religious beliefs, political opinions and racial backgrounds.

Causeway Coast and Glens Borough Council’s Good Relations Strategy provides an opportunity for the Borough to be a model of best practice in developing respect, understanding and tolerance between the diverse residents within the Council area.

If your organisation is successful in securing a grant, your organisation will be contractually obliged to work closely with the Good Relations Officers in the Council, including active participation in any review processes and the provision of monitoring and evaluation information as required.

1.2 Overview of Building a United Community Fund

Organisations applying for funding from the Building a United Community Fund will have to demonstrate how their organisation contributes to the Good Relations aims identified in the Causeway Coast and Glens Borough Council Good Relations Strategy 2023/ 26. These aims are directed by a government strategy published in May 2013 entitled “Together: Building a United Community”. (T:BUC)

- **Our Children and Young people** – To continue to improve attitudes amongst our young people and to build a community where they can play a full and active role in building good relations
- **Our Shared Community** – To create a community where division does not restrict the life opportunities of individuals and where all areas are open and accessible to everyone
- **Our Safe Community** – To create a community where everyone feels safe in moving around and where life choices are not inhibited by fears around safety
- **Our Cultural Expression** – To create a community which promotes mutual respect and understanding, is strengthened by its diversity, and where cultural expression is celebrated and embraced

All organisations funded through the Building a United Community Fund must demonstrate how their project contributes towards the aim most appropriate to address the good relations issues in their area. Organisations will be asked to report back on how effective their project has been in meeting these needs and working towards the appropriate aim.

1.3 Levels of grant award

Building a United Community Fund	Maximum Grant Amount
Up to 100% of total project costs will be available for eligible projects	£1,500

This is a competitive process and all grant awards will be determined on the basis of merit. Applicants are advised that organisations that have been successful in securing Council funding in the past will not automatically be guaranteed funding in the future. Council reserves the right to reduce the amount of funding awarded if we do not consider that the amount applied for represents value for money.

Please Note: Groups will have to provide all evidence requested once the project expenditure is complete. This will include receipts, bank statements, project outcomes, evaluation surveys, end of project Evaluation/ Progress report and / or any other documentation deemed necessary. This list is not exhaustive. If requested documentation is not supplied, then payment cannot be made. Please do not apply for funding if you cannot supply these items.

1.4 General Principles

In line with Council's Grant Funding Policy the overarching principle for all Council grant funding is that of meeting local needs which have been identified and prioritised by Council or by others but acknowledged by Council. Any activity that cannot be shown to meet the following basic requirements will not be provided with funding:

- Have a clearly identified need.
- Can deliver outcomes which meet this need
- Deliver cost effective and quality service provision, fitting with the purpose and remit of the funding.
- Be delivered by a credible organisation with the capacity to deliver the project as stated
- Reflect the statutory remit of Causeway Coast and Glens Borough Council, aligning with Council's Corporate Plan, the relevant Service plan and that they can meet the specific criteria of the fund, in this instance the Building a United Community Fund criteria.
- Applicants must demonstrate their commitment to promoting Good Relations and Equality of Opportunity.
- In the interests of transparency, equality and accountability all applicants will have a right of appeal should their application be rejected.

1.5 Who Can Apply?

- Applications can be made by not-for-profit community and voluntary organisations that are based in the Causeway Coast and Glens Borough Council area or have their main activities based in the Causeway Coast and Glens Borough Council area.

- Organisations that have a properly adopted “Governing Document” such as a constitution or memorandum and articles of association which clearly show that it is a not-for-profit organisation. Evidence that a constitution has been formally adopted must be supplied.

For the purposes of this programme only formally constituted organisations which are not-for-profit organisations that are open, accountable and representative of the geographical area in which they serve, promote and support Good Relations can apply. Such as:

This may include Community Associations, Residents’ Groups, Town or Village Committees or similar.

Only groups which meet these criteria can apply to the Building a United Community Fund.

2.0 How to answer the questions

Applications for financial assistance from Causeway Coast and Glens for 2026/ 27 should be submitted online at www.causewaycoastandglens.gov.uk
 Guidance on completing the application online is provided on the web-site link.
 Hard copies can be made available in exceptional circumstances. Please contact the Council's Central Funding Unit via email grants@causewaycoastandglens.gov.uk

Applications will be scored in terms of how robustly the good relations need was identified, and how well the application addresses good relations issues in the area.

All questions must be completed as fully and concisely as possible. Please see below for help in completing your application.

Please Note: Your answers to Questions 1 – 4 will be used to determine if there is clear and concise evidence that your project has a Good Relations focus. A score of 3 out of 5 must be achieved in each of these questions in order to progress to full assessment and scoring, otherwise your project will be deemed ineligible and will not be progressed. In this instance, we can help you to develop your project so that you can resubmit your application.

Q1 Has your project been funded by Council in the last 3 years?

It is important that Grants from the Building a United Community Fund are not used to fund the same activities on an ongoing basis and that they are used to address issues affecting your area now or to build on the success of a previous project. Please give details of any other Good Relations projects you have received BUCF grant funding for in the last 3 years so that we can establish that this is a unique project addressing needs in your area now.

Q2 – Please give a clear and concise description of your project, making sure that the Good Relations benefits are obvious from your description. Is your project aimed at improving relationships between people of different religious belief, political opinion and/ or racial group? Making this clear will increase the chance of your application being progressed to scoring-

Q3 & Q4 – Think carefully about the key objectives of your project. What are you hoping to achieve? How will it help to address one of the TBUC (Together Building a United Community) themes? Please note, - you only need to meet ONE of the themes so you should select the one that is the closest fit to your project idea.

Q5 – It is imperative that projects funded from the Building a United Community Fund not only fit in with the TBUC aims but that they work towards resolving good relations issues in your area. It is also important that you do not assume what those issues are but that you have a robust way of collecting information about this to ensure that the funding is being used in the most effective way possible. Desk Research and statistics will strengthen your application.

Q6 – Think about the issues identified in question 5 and how well the objectives of your project will help to tackle and improve these issues. How will your project make a difference to the Good Relations issues in your area now?

Please note you will need to ensure that each person involved in your project completes an evaluation survey (the Good Relations Officer will provide you with the necessary documentation). This is a requirement of our funder, The Executive Office, as a way of monitoring the difference that these projects make. You will also need to complete the brief BUCF Evaluation/ Progress report at the end of the project. Payment of your grant cannot take place until these are received. If you have any queries or concerns about this process, please contact the Good Relations team using the contact details on page 3 of these guidelines.

Q7- It is valuable for us to know approximately how many participants will be involved in your project, and also if there are additional people who will benefit apart from the participants? How will they benefit? For example, if there is an identified issue with racial prejudice in your area, a project aimed at working with a local group to address this issue will not only have benefits for participants but also for the residents of differing ethnicities who live in that area.

Q8 - Please state which of the 7 DEAs that your project will take place in

The above map shows the 7 District Electoral Areas that make up Causeway Coast and Glens Borough Council area.

Benbradagh, Limavady, Bann, Coleraine, Giant's Causeway, Ballymoney and The Glens

In this question, you also need to tell us in which Ward the project is happening. These are the smaller areas noted on the map.

Q9 – Making your project accessible to everyone: It is a requirement that funded projects or initiatives are open to all those residing in the area that they seek to represent, regardless of ethnic origin, religious or political belief. Please explain how you are proactively ensuring that your project will provide this accessibility and confirm that you are able to welcome anyone to participate in your events regardless of the factors listed above. For example, when describing how you will publicise your event, you need to think about how to reach out to people from different backgrounds.

A note about what we mean by “Diversity”: When describing who will be involved/ invited to participate in your project, and how you hope to attract a range of people from differing backgrounds, we are not referring to people from diverse socio-economic groupings, or to people from a variety of church denominations that are all Protestant for example. We hope to see diverse participants from different religious/ political backgrounds and/ or different racial backgrounds. If you have difficulty in achieving diverse participants, please contact us & we will try to support you to engage with another group.

A note about what we mean by “Single Identity”: on occasion, you may feel that there is good reason to address your project solely to those within your own community who all share the same racial/ religious/ political background. Eg if there is current tension with other communities & you wish to provide confidence in your own culture before engaging with others. If this is the case, your application should show how you would use this opportunity to

emphasise respect for other cultures as well, and to engage in more diverse contact in the longer term.

Please note that, if your application is successful, you must put the Council logo on your publicity material (this can be provided by the Good Relations team) and make reference to the support you received from the fund. You must also be willing to take part in any publicity required by Causeway Coast and Glens Borough Council.

Q10 – please provide a full breakdown of the total costs for your project. Please refer to what can/cannot be funded in 1.6/1.7 of these guidance notes to ensure that all costs are eligible.

Q11 – if the cost of your project exceeds the £1500 maximum grant, you need to demonstrate where the additional funding will come from.

3.0 How we assess and score your application

Every application that is received requesting a Building a United Community Fund Grant will be assessed for the following:

- to ensure that the organisation is eligible to apply to this particular Grant Programme
- for reassurance of each organisation's capability to deliver the proposal, and
- how well the proposal meets community needs and contributes to Council's Strategic Priorities and also the TBUC priorities (see section 1.2)

An acknowledgement receipt will be electronically issued to you once your submission has been received. The Funding Unit will assess your application for eligibility. If your application is eligible to apply for grant aid, it will be forwarded to the relevant section for a full assessment and scoring against the stated criteria.

3.1 Eligibility assessment

The assessments in respect of Part 1 of the application form are awarded a pass or fail eligibility rating.

If the organisation, based on the information supplied is able to satisfy the Council of their eligibility to draw down the grant, they will progress to the next part of the process.

If the organisation, based on the information supplied, is not able to satisfy the Council of their eligibility to draw down the grant from the fund, they will be advised of specific omissions / shortcomings and how these can be addressed to help prepare them for any future funding requests.

3.2 What if an application is not eligible?

If your application is not eligible, you will be notified immediately and the reasons will be outlined to you, it will not proceed to assessment and scoring.

If an organisation is not eligible for funding through the Building a United Community Fund, organisations should contact a staff member (contact details on page 3) who will try to help with signposting to alternative sources of funding.

If an organisation or its activities are deemed to be the responsibility of other Council Departments, statutory agencies or voluntary bodies then you will be signposted to who you should apply to. If signposted elsewhere you will be required to complete and submit the relevant application form.

3.3 Assessment and Scoring

PART B Eligibility

Questions 1, 2, 3 and 4 form part of the eligibility criteria for this fund. For your application to progress to full scoring and assessment it must score a minimum of 3 points out of 5 for each of these questions. If your application does not achieve the minimum scores for eligibility, it will be deemed ineligible and will not be progressed.

	Criteria	Score out of a possible 5 (must achieve min of 3)	Pass/Fail
Q1 -4	Is there clear and concise evidence that this is a developed project with a Good Relations focus?		

Assessment & Scoring

If your application scores a minimum of 3 points out of a possible 5 in each of the ~~above 3~~ eligibility questions it will progress to full assessment and scoring. All questions will be scored out of 5 and weighting will be applied as detailed below:

	Criteria	Score out of a possible 5	Weighting	Maximum possible score
Q5	Extent of awareness and evidence base of specific Good Relations needs in the area		X4	20
Q6	A clear understanding of how the project will address specific Good Relations needs in the area.		X4	20
Q7	Detail on the number of project participants and additional beneficiaries		X1	5
Q8	Proactive promotional methods ensuring that the whole community can be involved		X1	5
				50

Applications must score 65% in order to avail of funding.

3.4 How decisions are made

Each year Council agree a budget for this fund. The fund will remain open throughout the year until the budget is expended. Council Officers will assess and score the applications at various times throughout the year. Contact the Good Relations Team for advice on when the next assessments will take place. This will help you plan your project to ensure that grant-aid is awarded in time, should you be successful. When the scores are finalised, the officers will return the applications to the Central Funding Unit who will inform you of the decision within 7 days of your application being scored.

It will be at this point that all successful/unsuccessful applicants will be notified.

3.5 What happens if an application is successful?

If an application is successful, Council will issue a letter of offer which is a legal agreement with the organisation to deliver on the proposals outlined in their application form.

Signed Letters of Offer will need to be returned before funding is released

Payment will be made in accordance with Causeway Coast & Glens Borough Council Payment Procedure Guidelines:

If your Letter of Offer is less than £1,500.00 (which is often the case for the Building a United Community Fund), the grant will be paid 100% in advance, upon receipt of signed LoO acceptance forms.

If your Letter of Offer is between £1,500 - £30,000.00, the grant will be paid 75% in advance, upon receipt of signed LoO acceptance forms. (Maximum grant in the Building a United Community Fund is £1500). The remaining 25% will be paid out once the evaluation and financial claim have been verified satisfactorily.

Successful organisations are required to provide monitoring and evaluation information as outlined under Q6 above (page 9). Officers may discuss the monitoring information with the groups that were funded and also with some of the people who have benefited from the community activity.

3.6 What happens if an application is unsuccessful?

Officers from the relevant service unit will be available to meet with the organisation to go through their application, develop a working relationship and provide practical developmental support to address areas of concern.

An Appeals Process / Review Procedure is also available if an application is unsuccessful. The purpose of this is to ensure that the decisions taken and procedures followed by Committees for individual applications are applied fairly and consistently.

The Review will provide an independent process through which an applicant will have the opportunity to demonstrate to the Review Panel that either:

- the outcome was unreasonable or
- that the proper procedures were not followed

Appeals on any other grounds will not be considered.

3.7 Fraud and Corruption

Causeway Coast and Glens Borough Council is committed to carrying out business fairly, honestly and openly and has a zero tolerance towards fraud, bribery and corruption. Causeway Coast and Glens Borough Council expects full compliance with the requirements of both the Fraud and Corruption Policy and Bribery Act 2010 from Groups or Individuals applying for, or in receipt of grant aid. This is also relevant to Councillors, Employees, Agents, Partners and Suppliers involved in your project/event. Causeway Coast and Glens Borough Council is committed to developing, implementing and maintaining effective procedures and controls to prevent any occurrence of fraud and corruption. The Fraud and Corruption Policy can be found on the Causeway Coast and Glens Borough Council website.

All cases of irregularities or anomalies involving attempted or suspected fraud will be reported to appropriate authorities, including the Northern Ireland Audit Office, PSNI and any other relevant funding body (if applicable) or departments within the Council (if applicable).

Causeway Coast and Glens Borough Council reserves the right to disallow any other grant applications and claims submitted by a group or an individual member of a group in respect of the financial year and to apply a moratorium on Council funding to any group or individual member of a group where fraudulent activity has been identified within the current financial year and for at least two forthcoming financial years. This also applies to individuals applying for or claiming for bursaries.

Causeway Coast and Glens Borough Council will inform the group's Chairperson where attempted or suspected fraud has been identified.

3.8 Government Funding Database

Please be aware we are required to check the Government Funding Database (GFD) prior to making awards in order to avoid duplication of funding.

If registered on GFD we ask you to state your organisation's Unique Reference Number (URN) to help with this process. Details of grants awarded will be uploaded to the GFD, it is the responsibility of the applicant group to ensure that the organisation details held on GFD are up to date.

3.9 Late applications

It is the responsibility of each applicant to ensure that their application is submitted prior to any advertised time and date of closing. Applications received after the closing time/date will not be considered for funding. No exceptions will be made and there is no recourse to appeal. It is the responsibility of the applicant to ensure submission on time.

Note – currently the Building a United Community Fund is open throughout the year and will only close when resources are depleted. There will be assessment points throughout the year, so you should contact the Good Relations Team for advice on when the next assessments will take place. This will help you plan your project to ensure that grant-aid is awarded in time if you are successful.
