1.1 Purpose of the Grant Programme

The purpose of the Community Development Grant Programme is to provide financial support to community development organisations within the Causeway Coast and Glens area towards the core costs of operating your organisation, for example insurance, utilities, accountancy fees etc, in order to enable your organisation to deliver your activities and services and avail of specific project funding from other Council funds or external funding sources.

1.2 Overview of fund

Council's Community Development Strategy guides how Council supports the community and voluntary sector and supports and promotes community development practice in the Borough with financial assistance from the Department for Communities through its Community Support Programme

The Community Development Support Grant Programme will provide grants to support, promote and develop the capacity of communities across Causeway Coast and Glens Borough Council by providing financial assistance towards core costs of projects that meet the outcomes of the Community Development Strategy. A full copy of the strategy is

available at:

[https://www.causewaycoastandglens.gov.uk/uploads/general/COMMUNITY DEVELOPMENT STRATEGY 2023-26 with 24-25 Action Plan.pdf](https://www.causewaycoastandglens.gov.uk/uploads/general/COMMUNITY_DEVELOPMENT_STRATEGY_2023-26_with_24-25_Action_Plan.pdf)

All organisations funded through the Community Development Support Grant Scheme must demonstrate how their project contributes towards addressing issues within the community they are serving. Organisations will be asked to report back on how effective their project has been in meeting these needs.

1.3 Levels of grant award

There are 3 levels of grants available within the Community Development Support Grant Programme.

reserves the right to reduce the amount of funding awarded if we do not consider that the amount applied for represents value for money or if the Grant Programme is oversubscribed.

Please Note: Groups will have to provide all evidence requested once the project expenditure is complete. This will include receipts, bank statements, or any other documentation deemed necessary. This list is not exhaustive. If requested documentation is not supplied then clawback procedures will be initiated. Please do not apply for funding if you cannot supply these items.

1.4 General Principles

In line with Council's Grant Funding Policy the overarching principle for all Council grant funding is that of meeting local needs which have been identified and prioritised by Council or by others but acknowledged by Council. - Can deliver outcomes ie the change that will happen as a result of your activities and the difference these will make to people's lives.
- Deliver cost effective and quality service provision, fitting with the purpose and remit of the funding.
- Be delivered by a credible organisation with the capacity to deliver the project as stated.

3. How we assess and score your application

Every application that is received requesting a Community Development Support Grant will be assessed for the following:

- To ensure that the organisation is eligible to apply to this particular Grant Programme.
- for reassurance of each organisation's capability to deliver the proposal, and
- how well the proposal meets community needs and contributes to Council's Strategic Priorities

An acknowledgement receipt will be electronically issued to you once your submission has been received. The Funding Unit will assess your application for eligibility. If your application is eligible to apply for grant aid, it will be forwarded to the relevant section for a full assessment and scoring against the stated criteria.

3.1 Eligibility assessment

The assessments in respect of Part 1 of the application form are awarded a pass or fail eligibility rating. If the organisation, based on the information supplied is able to satisfy the Council of their eligibility to draw down the grant, they will progress to the next part of the process. If the organisation, based on the information supplied, is not able to satisfy the Council of their eligibility to draw down the grant from the fund, they will be advised of specific omissions / shortcomings and how these can be addressed to help prepare them for any future funding requests.

3.2 What if an application is not eligible?

If your application is not eligible, you will be notified and the reasons will be outlined to you, it will not proceed to assessment and scoring.

If an organisation is not eligible for funding through the Community Development Support Grant, organisations should contact the staff member listed on page 3 who will help signpost to alternative sources of funding. If an organisation or its activities are deemed to be the responsibility of other Council Departments, statutory agencies or voluntary bodies then you will be signposted to who you should apply to. If signposted elsewhere you will be required to complete and submit the relevant application form.

3.3 Assessment

If the organisation, based on the information supplied, is able to satisfy the Council of their eligibility for the Community Development Support Grant Programme they will be assessed according to established assessment criteria shown in the table below.

All questions will be scored out of 5 and weighting will be applied as follows:

	Criteria	Weighting	Maximum Possible Score
1	Range of activities and beneficiaries	X2	10
2	Needs of the community and how well those needs have been identified	X1	5
3	How well activities of the group address needs of the community and the difference they will make	X1	5
5	Level of Deprivation (NIMDM 2017)	X1	5
6	Value for money including any other funding levered in	X1	5
			30

Applications must score at least 65% in order to avail of funding.

3.4 How decisions are made.

When the assessments are finalised a report will be presented to the Leisure and Development Committee for consideration and recommendation to full Council for approval. It will be at this point, that the successful/unsuccessful applicants will be notified.

3.5 What happens if an application is successful?

If an application is successful, Council will issue a letter of offer which is a legal agreement with the organisation to deliver on the proposals outlined in their application form. Signed Letters of Offer will need to be returned before funding is released

If successful, group members can avail of specific training that will explain the processes and procedures that relate to programme monitoring, submitting a financial claim, requesting a change to programme, promoting Council's support for the programme, monitoring and evaluation requirements and the process of verification. The training is a good way to establish the working relationship between Community Development Grant recipients and Council Officers, so that should the applicant have any support needs, the Council can respond in an appropriate and timely manner.

Council funding is paid retrospectively. Grants will normally be released in two instalments – 50% of the grant will be awarded upfront if the organisations does not have sufficient reserves, followed by remaining 50% once evaluation/financial claim is verified satisfactorily.

Successful organisations are required to submit an annual/ end of funding evaluation report. Officers may arrange post project evaluation visits to discuss the monitoring information with the groups that were funded and also with some of the people who have benefited from the community activity.

3.6 What happens if an application is not successful?

If an application is not successful officers from the Council will be available to meet with the organisation to go through their application, develop a working relationship and provide practical developmental support to address areas of concern.

An Appeals Process / Review Procedure is also available if an application is unsuccessful. The purpose of this is to ensure that the decisions taken and procedures followed by Committees for individual applications are applied fairly and consistently.

The Review will provide an independent process through which an applicant will have the opportunity to demonstrate to the Review Panel that either:

- the outcome was unreasonable or
- that the proper procedures were not followed

Appeals on any other grounds will not be considered.
